## Why Embed Your YouTube Videos?

By **embedding** them on your ASMR Stars® profile, you offer fans a **taste** of your **style**.

## Connect Viewers to Your Feed Content

From there, they're just a click away from your **memberships**, **custom videos**, or **paid content**.

It's a smart way to funnel **casual** watchers into **loyal fans**.

# Build a Smart Strategy

You're the **creative** — here are a few **ideas** to spark inspiration.

- Create a **surprise migration**:

Remove your old YouTube videos and upload them as original content on ASMR Stars® and announce it on your Socials.

- Use YouTube as a **teaser** (Part 1):

Post the first half of a video on YouTube. The second half? Exclusively on ASMR Stars®, and ad-free.

**You decide whether it's free or paid.**
